

## Undergraduate Interfraternity Council at the University of Colorado, Inc.

# IFC on The Hill Goals - 2024

- Strengthen a positive Greek image in Boulder that demonstrates a proud, unified, and independent fraternity community striving towards constantly improving relationships and communication with the University of Colorado-Boulder, the City of Boulder, the Boulder Police and Fire Departments, the University Hill community, and all other stakeholders.
- Create positive interactions among IFC fraternity chapters and their brothers to build better interfraternal relationships, especially through joint philanthropic, social, and community service activities. Strengthen our “cousins” mentality by treating all IFC fraternity members as one would treat a “brother” in his respective chapter. Strengthen the relationship between the IFC fraternities and their members, and with the Panhellenic Council, their individual sororities, and their sisters, through planned programming.
- Continue to emphasize the *Safe Chapter* program. Strive to positively impact the drug and alcohol culture at the University of Colorado-Boulder, through the leadership of the IFC and its fraternity chapters. Deliver regular, structured educational programs to each IFC fraternity chapter and its members about preventing hazing and raising awareness concerning sexual assault.
- Strengthen our commitment to contribute productively to the University Hill community, the University of Colorado-Boulder, and the City of Boulder. Actively communicate with community stakeholders and the IFC fraternity chapters and their members to reduce negative impacts (including but not limited to fireworks, fire hazards, trash, weeds, general property upkeep, excessive noise, and nuisances). Communicate with community stakeholders to understand concerns and issues of the University Hill community.
- Continue the IFC’s commitment to the academic success of potential new members and initiated brothers recognizing that their primary role is as students at the University of Colorado-Boulder. Encourage educational commitment and improvement as a Greek community. Strive to surpass the all-men’s average for University of Colorado-Boulder.
- Grow the IFC in membership and involvement through a focus on values-based recruitment at all chapters. Allow chapter members to grow as positive members of the IFC community, utilizing their fraternity values. Strengthen the unity of the IFC at both the chapter and individual member levels.
- Constantly review, update, and implement new community standards, expectations, rules and bylaws regarding the safety, prosperity, and accountability of IFC fraternity chapters, our brothers, and all stakeholders.

**Affirmed by IFC on the Hill Executive Board, 21 January 2024**  
**Affirmed by IFC on the Hill Chapter Presidents, 21 January 2024**
